The International Conference on Advanced Science, Engineering and Information Technology (ICASEIT) 2011 organized by Indonesian Students Association Universiti Kebangsaan Malaysia provides a mean for academicians, researchers and professionals to present and exchange their research findings in a scientific environment. It also useful to build a basis for establishing networks among them. The conference is going to be held on 14 – 15 January 2011 near Universiti Kebangsaan Malaysia. The conference theme “Cutting-Edge Sciences for Future Sustainability” will highlight on research topics that cover every disciplines in all fields of sciences, engineering and information technology.

All accepted papers will be published in the proceeding subjected to the review by the conference referees and will be submitted to **Conference Proceedings Citation Index (ISI Thomson Reuters), Ei Compendex, DBLP, CiteSeerX, and Google Scholar** for indexing. Revised and expanded versions of selected papers from the proceeding will be published in the International Journal of Science Engineering and Technology.

We welcome academicians, scientists, professionals and graduate students to submit qualified and state-of-art research papers in all aspects of science, engineering and information technology. The paper may contain theory and review, experiments, simulation and modeling, as well as applications. The conference scopes include (but not limited to) the followings:

- Science : Bioscience & Biotechnology, Chemistry & Food Technology, Environmental Science, Mathematics & Statistics, Pharmacy & Medicines, Physics
- Engineering : Architecture, Chemical & Process Engineering, Civil & structural Engineering, Electrical, Electronic & Systems Engineering, Geological & Mining Engineering, Industrial Engineering, Mechanical & Materials Engineering
- Information Science & Technology : Artificial Intelligence, Computer Science, Computer Security, E-Learning & Educational Technology, Information System, Internet & Mobile Computing, Multimedia

### Important Dates
